

# Component 1

## Exploring the Performing Arts

### 100% Coursework

In this component, students will create a portfolio in which they examine in detail a professional dance piece. They will show an understanding of the process of creating a professional dance piece from inception to performance, as well as evaluating the strategies used by different individuals to create an outstanding performance.

Their portfolios must include:

- **Mark Grid 1:** Scene Analysis
- **Mark Grid 2:** Roles and Responsibilities
- **Mark Grid 3:** Ways of Generating Ideas
- **Mark Grid 4:** The Rehearsal Process
- **Mark Grid 5:** Understanding of the Technical Elements

### Marking grids

All marking grids are split into four bands with 12 marks allocated for each grid.

- To achieve a L2 Pass (Grade 4) you should aim for 38 marks.
- To achieve a L2 Merit (Grade 6) you should aim for 42 marks.
- To achieve a L2 Distinction (Grade 7) you should aim for 55 marks.

## Component 2

### Developing Skills & Techniques in the Performing Arts

**60% Performance, 40% Coursework**

In this component, students will recreate a piece of professional dance repertoire which they will then perform to an audience. They will create rehearsal logs where they explain the steps they took to perfect their final performance, using target setting to guide their development. They will then evaluate how effective their rehearsal process and final performance were to show their reflective skills.

They will be marked on:

- **Mark Grid 1:** Research and Rehearsal Planning
- **Mark Grid 2:** Technical Performance Skills
- **Mark Grid 3:** Expressive Performance Skills
- **Mark Grid 4:** Evaluation of Rehearsal Process
- **Mark Grid 5:** Evaluation of Final Performance

## Component **3**

### Responding to a Brief

**70% Controlled Assessment, 30% Performance**

In this component, students will be given a brief by the exam board which will guide them in their production of a seven-minute dance piece. They will develop their skills in generating choreography as well as showing off all the skills they have developed over the two year course. They will also complete three Controlled Assessments which will be completed in exam conditions.

The marks are split accordingly:

#### **1. Ideas Log (15 marks)**

- How did you develop ideas for your performance?
- How do these match the requirements of the brief?

#### **2. Skills Log (15 marks)**

- How have you developed your skills while creating the performance?
- How have different practitioners helped you fulfill the brief?

#### **3. Workshop Performance (18 marks)**

- How can you confidently deliver this performance?
- How can you effectively communicate your message to the audience?

#### **4. Evaluation Report (12 marks)**

- How effective was your performance in fulfilling the brief?
- How would you further develop this piece in the future?

#### **Marking grids**

All marking grids are split into four bands with different marks allocated for each grid. All areas are marked by the exam board.
